ALEXANDER LAING OLD VINE GRENACHE BAROSSA VALLEY

The vine-pull in the Barossa Valley reduced heavily the amount of seriously old vines. One of the varieties to survive was Grenache, and therefore this Single Vineyard wine is produced from 100 year old weather-beaten vines that produce small berries from the region of Greenock in the North-west corner of the Barossa Valley. Green-harvesting, handpicking, along with meticulous winemaking ensures rich, definitive Grenache.
