TEXAS ALCOHOLIC BEVERAGE COMMISSION

CERRAIA

The gentle hills below the high Tuscan town of Montepulciano are world-famous for their excellent Sangiovese wines. The official name of this wine, "Vino Nobile", means "noble wine" in Italian, a testament to the wine's prestige. This is a classic wine for meat dishes, particularly flavorful ones like fowl, game, or stews. It is a fine match also for pasta with richer sauces like ragu, wild mushrooms, or sausage.
