## TWENTY ACRES

VINTAGE 2018  
CABERNET SAUVIGNON  
CLARKSBURG

Our family began farming in Northern California in the 1870s. It wasn't until 1968 that we planted Twenty Acres of wine grapes, quickly realizing our land's true potential. Since then each harvest has provided much to our family, which is why we are passionate about sustainable farming practices.

As our vineyards expanded, so did our commitment to making premium, handcrafted wines. Today, we are sixth generation farmers and third generation grape growers looking to the future. But we never forget our family's humble start in grape growing – a story that began with Twenty Acres.

BLENDING WITH HERITAGE  
**CABERNET  
& PETITE SIRAH**  
Providing a link to our original  
Twenty Acres, we complement  
the cherry & plum notes of  
Cabernet with the flavors of  
blackberry, boysenberry & hints  
of black pepper & the deep,  
beautiful color of Petite Sirah.
