Cabernet Sauvignon

NAPA VALLEY

Three Clones Cabernet Sauvignon owes its name to the three Cabernet clones we grow on our estate, 6 | 15 | 337, that create the base for this delicious wine. Each clone adds unique character and complexity to the blend. Upon opening, you are greeted by mouthwatering aromas of ripe black cherries and the tantalizing dusty smell of French oak. A delicious, textured mid-palate of plum and dark fruits with black pepper notes meets soft sizable tannins for a lasting finish.
