TEXAS ALCOHOLIC BEVERAGE COMMISSION

The subsoil of the hills around Montebelli, rich in rocks of volcanic nature, have oriented a portion of our production towards Syrah. An aristocratic vine, that with the right conditions, can express itself at right standards. To the gentle and soft tannins of the Syrah we have blended the "roughness" of the Sangiovese. Acantos was born from this alchemy, and the intent was to portray a wine with strength but at the same time elegant and smooth. The right inclination and exposure of the vineyards allow Acantos, whose name is the anagram of "Toscana", to be the authentic expression of this fascinating land, Maremma.
