LEXICON

100% SAUVIGNON BLANC
MARLBOROUGH, NEW ZEALAND

The Lexicon line of varietal wines has been carefully selected by Fran Kysela MS to show the essence of each variety, along with its terroir of origin, both of which are essential elements of a really good wine. Sauvignon Blanc, historically known for the great white wines of Bordeaux and Sancerre, has increasingly been associated in the "New World" as coming from New Zealand. Our 100% Sauvignon Blanc was produced from grapes grown in the renowned Marlborough region. Marlborough is recognized for growing outstanding Sauvignon Blanc with mouth watering fresh acidity, balanced by intense tropical fruit notes.
