to life LCHAIM

The process of crafting **to life** kosher wine starts in our Italian vineyards where our winemaker selects the highest quality grapes for our Premium Red Wine Blend. We pride ourselves on using tried and true traditional methods, both in the vineyard and throughout the winemaking process. Our commitment to quality is evident in our **OU-P**, kosher for Passover, certification which is the highest endorsement granted by the Orthodox Union, the most respected agency employing the strictest kosher controls in the world.

The to life Kosher Difference

Kosher certification ensures **to life** wines comply with strict kosher food laws comprised of meticulous quality, cleanliness and purity standards. To achieve our kosher for Passover certification even our winemaking process must be certified kosher compliant. This old world approach takes time, but we feel our consumers are worth the effort.
