ALAMOS
THE WINES OF CATENA
MALBEC SELECCIÓN 2005
MENDOZA

Mendoza is a province in Argentina where most families have a member, past or present that has grown vines. For many generations, most of these small growers have sold their grapes in bulk. A few years back, the winemaking team at Alamos realized that many of these old vineyards had incredible potential, and began to work with quality conscious small growers to reduce yields and increase hang-time. Alamos Selección is a blend of the best hand-harvested grapes from these small family vineyards.
