INSPIRATION DARK SPECIALTY ALE

The inspiration behind the creation of Community Beer Company was to produce world-class beer just like many breweries we love. In the search for the perfect locations, we evaluated many spots for nearly two years before selecting our home on Inspiration Drive, near downtown Dallas on Stemmons Freeway. What a street name for our dream brewery to be built!

Without inspiration, we wouldn't be here to enrich the market with our high-quality brews. So, in honor of all things inspirational, we offer this very special Belgian-Style Dark Specialty Ale. The deep ruby hue of this ale comes from the use of several English and Belgian crystal malts as well as a touch of roasted malt. The rich malt character is balanced by a high alcohol content, a blend of highly attenuative and expressive Belgian yeast strains, and just the right amount of hops.
