BIÈRE DE L'AMITIÉ

COLLABORATION ALE
ALE BREWED WITH SPICES

St. Feuillien's centuries old brewing traditions combine with Green Flash Brewing Company's cutting edge brewing techniques to form our first collaborative brew: Bière De L'Amitié (Friendship Brew). A blond Belgian collaboration ale, brewed with St. Feuillien's traditional yeast and spices. For a modern twist, we add rye malt, wheat malt, and American Amarillo hops. At the crossroads of collaboration, we dry-hopped the brew for more zest. It's old-world Belgian Abbey-style meets new-world American craft brewing – and a friendship is formed.
