PECAN PORTER RESERVE**

For this release of our Reserve series we took our award-winning Porter and brewed it up a notch. We added a touch of maple syrup and a touch of coffee to the mix. The result is a rich, dark beer with a nutty, earthy character. The coffee adds a subtle sweetness and the maple adds a touch of warmth. The result is a beer that is both complex and approachable. It's a beer that's perfect for sipping on a cool day or sharing with friends.
