Tempranillo

Tempranillo is most popular in the Spanish and Portuguese regions, which include Rioja, Navarra, Douro, and Ribera del Duero. Today you will find it being grown on the Texas High Plains. But, no matter where it is grown, this is a red wine you have to experience.

Thanks to its relatively neutral, savory notes, Tempranillo is a fantastic match for a wide range of food dishes. We believe Texas wine should be celebrated, enjoyed and shared. Therefore, we encourage you to pour a glass and see what Texas tastes like!

Cheers!
