TEXAS ALCOHOLIC BEVERAGE COMMISSION

Texans Helping Businesses & Protecting Communities

My father first brought us here in 1978, seeing the potential to grow red varietals in Paso's varied landscape and soils. Since then, we've been exploring vineyard sites across the region, discovering the uniqueness of each one. Paso Robles is richer by the diversity of its land, so this wine is made equally distinct by its mix of grapes – a combination that is concentrated, soft, supple and expressive.

QUEST

RED WINE
PASO ROBLES, CALIFORNIA

Quest is not bound by history, tradition or norms of winemaking. It is a new wine that aims to express what can be produced in Paso Robles, our mountainous, oak-studded, maritime-influenced home.
