Alba di
DIANA
CORSE

100% VERMENTINU

Situated on the East coast of Corsica, the Estate stretches between the Sea and the mountains alongside the «Etang de Diana», on a land cultivated since the 18th century. In the Corsican language, «Alba di Diana» means «Dawn of Diana». As dawn rises on the vineyard, the indigenous grapes benefit from a Mediterranean micro-climate with incredible sunshine during the day and the influence of the mountains at night. This produces moderate temperatures, ideal for creating these unique and aromatic wines. This fresh and mineral white wine with lemony notes of lychee and passion fruit is born on this special terroir. Ideal serving temperature: 50-54°F to go with seafood, fish or as an aperitif.
