### WILLAMETTE VALLEY · OREGON

A descendant of Pinot Noir, Pinot Blanc also performs well in our long, cool growing season. These vines were tended by hand and cluster-thinned to increase flavor intensity. The grape clusters were picked at peak ripeness and lightly whole cluster pressed, not crushed, to produce the best flavors. The juice was fermented slowly at cold temperatures to enhance varietal flavor and aged in stainless steel to retain the freshness, maintain the rich mid-palate and allow the sense of place to be fully expressed.

All of our vineyards are certified sustainable – LIVE (Low Input Viticulture and Enology) and Salmon-Safe.
