**Story:** This Pinot Noir is made from berries hand-picked from vines scattered about the lush hills and cool valleys of Sonoma's Russian River. In this idyllic landscape dotted with lofty redwoods between which morning fog shimmers, precious grapes are collected and brought to the winery where they are fermented and aged for nine months in French and American Oak barrels. This is no ordinary Pinot Noir.

**Taste:** Penetrating purple in color and alluringly scented with marvelous aromas of juicy black cherry, fruit, cocoa and ginger backed by lurking notes of cardamom and violet. The wine's flavors are boldly expressive and distinctly stacked upon one another as if they were painted by Rothko.

**90+ CELLARS** is wine with a pedigree of high ratings from the world's most respected wineries that you can buy for a fraction of the original price.
