FRIGID UNDERWORLD
BOURBON BARREL-AGED
IMPERIAL STOUT

Frigid Underworld often describes the cold, deep waters of the polar seas. This is a realm where the waters are dense, cold, and black. It is the home of giants, the weird, monsters, and beautiful things.

This is a variant of our Frigid Underworld Espresso Stout. Instead of adding espresso, we send the base beer to freshly emptied Tawahkaro bourbon barrels for aging. The barrels give a smooth bourbon character with notes of vanilla and spice.
