2009 • ESTATE WOODWARD CANYON

This exceptional Walla Walla Valley red wine, produced from 43% merlot, 28% cabernet franc, 15% petit verdot and 14% cabernet sauvignon was fermented in small open top tanks with native yeast. The Estate Vineyard produced under one ton per acre in 2009 giving a wine deeply concentrated with cassis and black fruits. Spice and vanilla from new oak integrate beautifully with the fruit; the texture is soft and generous and the finish is long and enticing. Risk: Small
