13° CELSIUS | PINOT GRIGIO *IGT delle Venezie*

State-of-the-art winemaking begins with some of the best cool climate delle Venezie fruit. These iconic grapes are delicately finessed to yield elegant structure and vibrant texture. A bouquet of floral aromas leads to flavors of luscious pear and ripe tropical fruit with a crisp, lively finish that defines Italian Pinot Grigio.

The optimum temperature of 13° Celsius best reveals unique characteristics and aromas. When temperatures reach optimal degrees, the label changes to blue, ensuring your taste experience is impeccable.
