TANNAT 100%

ALPHA UTOPIA combines excellent typicity of the variety, as expressed in the unique terroir of Amyndeon, with Alpha Estate's team care, expertise and know-how. The valuable Tannat vines are located in the greatest locations of the 69 ha privately owned vineyard, at an altitude of 620 - 690 meters, at a low fertility, sandy, sandy - clay soil of excellent drainage, with semi continental climate, producing a uniquely fine and particularly complex red wine, of high quality and superb length. Green harvest is applied up to 50%. Red vinification and ageing in top quality extra fine grain French oak casks of medium to light toast for eighteen months. Unfiltered wine. Decanting is strongly recommended. Served best at 16-18° C.
