2018 Three Valleys, bottled Sept 2019

Winter began dry, with no rainfall through January and February. Fortunately, heavy rains arrived in March, but cold spring weather and a mild summer delayed the start of harvest until mid-September. Each lot fermented for nine days on the skins to achieve full extraction. Assemblage was done the following spring. This fruit-forward, elegant wine is appealing now and will drink well over the next five years. EB/JO (6/19)

Ingredients: Hand-harvested grapes; indigenous yeasts; naturally occurring malolactic bacteria; tartaric acid; oak from barrel aging; minimum effective SO₂. EB/JO (6/19)
