### ViñaSol.

After completing my studies in enology in 1962, my goal was to contribute new knowledge to the family. At a small winery in the mountains of the country's interior, we used low temperature during fermentation to obtain a fresher and more aromatic wine: the first "Viña Sol" was born. *The fruity aroma is reminiscent of apple and pineapple, the palate smooth and balanced with delicate edge of acidity. Served chilled (10°C).*

En 1962, al finalizar los estudios de enología, quise aportar nuevos conocimientos a la familia. Así, en una pequeña bodega en las montañas del interior, mediante una fermentación a baja temperatura logramos un vino más fresco y aromático: acababa de nacer el primer "Viña Sol". *Aroma afrutado con recuerdos de manzana y piña, paladar suave y equilibrado con finas aristas ácidas. Se recomienda servir fresco (10°C).*
