CASABLANCA VALLEY

Casablanca valley, recognized as Chile's premium cool climate viticultural region, enjoys sea breezes that extend the ripening period of the hand picked and specially selected grapes, thus maintaining their full flavours and intense aromas. This exceptional Syrah is deep purple red in color, with aromas of red berries and spices that carry on to the palate together with ripe black fruit and the added complexity of ageing 40% of the wine in French and American oak for 12 month, the remaining 60% was aged in stainless steel tanks
