2017 CALIFORNIA CABERNET SAUVIGNON

This Cabernet Sauvignon comes from fruit that matures in consistently warm sunny days and cool nights, due to the Pacific Ocean influence. As a result, the fruit is a balance of fruit character and structure. This wine has a dark garnet color and aromas of fresh cut rosemary, thyme and bay leaf, mixed with fresh berries and black cassis. The fruit and spice aromas are carried over into the flavors and end with a coco powder finish.
