.....

I always knew I had a great job: visiting the **best wine** regions, meeting good friends, discovering special wines... there's not much else I could ask for. With so much **good fortune** (and perhaps a little hard work), great wines like this seem to fall into my lap from **friends** who have a little extra to go around. Is it fate? Is it karma? Maybe. But the way I see it, when you **love** what you do things like this just happen. Go Figure...

Gary
