Story: This 'Super Tuscan' is not a muscular Italian guy with a cape. It's really just a wine made from Tuscany's native Sangiovese, pumped up with a little Cabernet Sauvignon and Merlot and then aged for a year in oak. The result, shall we say, is heroic.

Taste: An erotic blend of aromas consisting of black cherry, fig, wood spice, nectar, wild flowers and leather. The wine is medium to full-bodied with a gentle, caressing texture that soothes your palate and calms your soul. Try this wine with herb rubbed grilled steak, sausage with lentils, or a few slices of aged Provo. Your friends will be jealous, so you better invite them over.

90+ CELLARS

90+ Cellars is wine with a pedigree of high ratings from the world's most respected wineries that you can buy for a fraction of the original cost.
