EXPERIENCE

**PEAR
CITRUS
HONEYSUCKLE**

protea is on a mission to make wines that dare to be exotic and beautiful, in every way imaginable. We've broken new ground by offering our uniquely delicious wines in designer-crafted bottles you won't forget – and won't want to discard.

To make our **protea** White, our winemakers step smartly aside and allow the essence of the remarkable, too often underappreciated **Chenin Blanc** grape to arrive in the glass with rich fruit and verve.
