### SINCE 1800

The first drops of Tequila began to flow from our Copper Pot stills in the year 1800. This is the year in which real Tequila was born ~ and we commemorate it with 1800® Tequila Reserva.

## TEQUILA 1800 SILVER

1800® Silver uses only 100% Blue Agave harvested and handpicked from our family owned ranches in Jalisco, Western Mexico. It is double distilled, and a special selection of white Tequilas is blended together for added complexity and character. The result is a premium Tequila with a smoother, more interesting flavor of fresh agave with hints of black pepper.

Our range of fine Tequilas also includes Reposado and Añejo. For a tropical twist on 1800® Silver we recommend 1800® Coconut. Please try them all to experience the taste of real Tequila.
