BARLOW

Barlow Vineyards is located on the Silverado Trail between Calistoga and St. Helena at the upper end of the Napa Valley. Barlow Estate Cabernet Sauvignon (78%) is the beginning of our red wine blend BARROUGE. We then add our estate Merlot (10%), Cabernet Franc (6%) and Petit Verdot (6%). This combines to develop a truly magnificent wine that is big and bold and at the same time soft and luxurious. Our grapes are grown on lyre trellis to take advantage of the well drained, down sloped vineyards and the dominate microclimate of cool nights and warm, wind protected days. The fruit is harvested for prime flavor and the wine is then aged for 3 years, two in French Oak and a year in glass. As growers/producers we hope that you will enjoy this wine as much as we do.
