Wine was first created as a food. Only in recent years has it become a luxury item. The intention of Cascina Valle Asinari is to restore it to its central role, as something to be shared, to talk about and to create harmony, because this is what wine is all about... making friends! Our wine is made within a closed cycle. Every element of our land is used. Every action is aimed at reuse. The winery is in San Marzano Oliveto, on Valle Asinari hill, the viticultural potential of which was reported way back in the mid-14th century by the Asinari family. Deep ruby red with brick-coloured highlights that develop as the wine ages. Elegant and potent, its acidity maintains a vibrant quality. The bouquet features red fruit, pepper and brushwood.
