TEXAS ALCOHOLIC BEVERAGE COMMISSION

The Murai family's passion for sake flows through six generations of hand-crafted premium sake at Momokawa Brewing Japan. Their commitment is seen in the 57 consecutive Gold Medals for Brewing Excellence, a record in Japan.

The peak of a brewer's craft, this Daiginjo is handmade in small batches with the finest sake rice, soft water, and extra attention to all details. Slow distillation offers a mildly creamy body with intertwined layers of earthy fruit and spice. The unique bottle shape allows you to hear this sake's song as it's being poured.
