## TEXAS ALCOHOLIC BEVERAGE COMMISSION

### KRONE BOREALIS BRUT

Legend records that Bacchus, God of Wine in ancient mythology, fell in love with Ariadne, daughter of the King of Crete. In order to prove his love to her and to uplift her spirits, he threw his golden crown, a circlet of gems, up into the heavens where it remained to shine forever as the dainty constellation of stars called the

"Corona Borealis". Corona means crown, as does Krone - hence KRONE BOREALIS; a little poetic license used to describe this bottle fermented sparkling wine (Méthode Cap Classique) which is full of "stars", made from the traditional grape varieties and handcrafted throughout.
