Alexander Murray & Co

DISTILLED AT
MANNOCHMORE
SINGLE MALT SCOTCH WHISKY

Matured in a hogshead cask, this 2004 vintage is a single cask Alexander Murray expression of Mannochemore. Essentially a repurposed barrel - five American Standard Barrels are broken down to remake four Hogsheads by exchanging cask heads - the hogshead is typically 59-66 US gallons. By far the most commonly utilized cask size in Scotch whisky maturation, the hogshead promotes retention of distillery character through slow, gentle maturation.
