ARCHIVES

This bottle of Williamson whisky has been carefully selected by the team at Whiskybase.com, the world's largest community of whisky enthusiasts where over 100,000 whiskies are catalogued and discussed by thousands of members worldwide. Hence the name – Archives.

As an independent bottler, we go to great lengths to ensure that the whiskies chosen are at their prime and ready to savor – always at cask strength and without dilution – so the real character of the aged spirit comes through. Therefore, the number of bottles is very limited.
