2019 Grenache Blanc, bottled June 2020

Heavy winter rains continued into spring, hitting the vines during bloom. Persistent summer fog slowed ripening for a mid-September harvest. Whole-cluster pressed, each varietal was fermented separately in barrels and small concrete tanks. Stirring the barrels throughout malolactic enhanced aroma and texture. An early assemblage and bottling captured the wine's freshness and beautiful fruit. It can be enjoyed now and over the next five years. EB (4/20)

Ingredients: Hand-harvested grapes; indigenous yeasts; naturally occurring malolactic bacteria; oak from barrel aging; SO₂.
