TEXAS

ZINFANDEL

Sometimes life brings together strange bedfellows. Who could imagine 8-foot tall ostriches sharing a pasture with Texas longhorns, but here at Blue Ostrich Winery that's exactly what we have, and it gives us an idea for unusual wine and food pairings. Take this limited release Texas Zinfandel for example: Summer cherries, a hint of clove like spice and a tinge of oak. It's garnet color is characteristic of Texas Zin. Throw caution to our Texas wind and boldly pair this wine with the unusual, like grilled blue-cheeseburgers, Hawaiian style pizza and dark chocolate fondue marshmallows. Salud!
