2013 CABERNET SAUVIGNON
ESTATE GROWN SIERRA FOOTHILLS

For four generations, sustainable viticulture and farming have been our way of life. This well-structured and full-bodied Cabernet Sauvignon has rich aromas of fresh berries and cassis. Known for unique soils of decomposed granite, mixed with volcanic sediment and red clay, these estate vineyards add unique characters to the wine's creamy vanilla-oak finish developed while aging in our underground caverns carved from solid rock.
