2013 • LODI

Petit Verdot

A nod to the varietals less recognized, INKBLOT pays homage to those left unnoted and simply left to be just "blending varietals". Here these varietals find a niche of their own allowing a peek into another side of Lodi, the darker side.

Originally just released to our wine club members, this Petit Verdot developed such a following that we couldn't just keep it to ourselves any longer! Grown in the northeast side of Lodi, this wine is true to its name and is very "inky" in color while displaying leathery chocolate and cherry notes. Big and savory, the finish is long and licorice inspired.
