Vineyard & Winery

Sustainably farmed, solar powered

**RUTHERFORD
SAUVIGNON BLANC**

In the early 1960's our grandfather, Louis Honig, defied convention by planting Sauvignon Blanc in Rutherford, an area regarded primarily for its world-class Cabernet. Today, we honor his irrepressible spirit with this limited-production Reserve Sauvignon Blanc. Selecting specific blocks from our vineyard, we ferment a portion of the fruit in new French oak, age it on the lees and then add a touch of Semillon and Muscat for richness and complexity. This approach may seem unconventional, but Sauvignon Blanc is our passion and passions are rarely conventional.
