NON CHILL-FILTERED — The Balvenie Single Barrel is not chill-filtered. At lower temperatures, or on the addition of water, a slight haze may occasionally develop. This is perfectly natural and does not in any way impair the quality of this single malt.

FIRST FILL CASKS — This single malt has been matured exclusively in a first fill, ex-hoison barrel for at least 12 years. Our Malt Master carefully samples the aged whisky, cask by cask.

He will only select single malt characterised by the sweetness and subtle vanilla oak he expects from maturation in this type of cask to be bottled as The Balvenie Single Barrel First Fill.

Distilled at
THE BALVENIE®
Distillery, Banffshire

THE BALVENIE DISTILLERY remains totally dedicated to the traditions, care and craftsmanship of malt whisky making and has been owned and managed by the same independent family company for five generations.

Nowhere else will you find a distillery that still grows its own barley, that still malts in its own traditional floor maltings, that still has coopers to tend the casks and a coppersmith to tend the stills.

From this Distillery comes
THE BALVENIE SINGLE BARREL FIRST FILL
characterised by sweetness and
subtle vanilla oak
