Living Food for the Living Body®

Mission in a Bottle:
In 1995 I started making organic raw Kombucha based on the belief that it could touch people's lives. For me Kombucha represented everything that food should be: raw, unadulterated & crafted by nature. Today that belief is stronger than ever. That's why I am honored and humbled to be able to share this gift with you.

Rejoice! THIS IS A RAW FOOD.

Kombucha is a cultured tea that is low in alcohol, however federal law requires a warning statement on any product that may contain more than 0.5% of alcohol per volume. Alcohol content not more than 3.2% alcohol by weight / 4% by volume.
