Exceptionally pure water - that's what makes
Devils River Bourbon Whiskey the
smooth, decorated small batch Bourbon
Whiskey you enjoy today. Legendary Texas
Ranger John Coffee Hays named this
powerful waterway the 'Devils River' in
1840, and from his ingenuity, our namesake
was born. The naturally-filtered limestone
spring water is considered the purest water
in Texas. The iron-free, sweet spring water
is ideal for crafting an unrivaled Texas
Bourbon Whiskey. Its purity unmasks all
the delightful nuances we worked tirelessly
to emphasize in every sip. Here's to living a
life that's never short of extraordinary.
Devils River Bourbon Whiskey.

117 PROOF / 750ML

58.5% ALC. BY VOL.
