ANTHONIJ RUPERT

At the heart of Anthonij Rupert Wines lies the fundamental belief that the source of supreme wine quality lies in the land; that a specific terroir, with soil and climate working together to capture the essence of each particular grape variety, dictates the style of wine that speaks powerfully of the highest quality and most genuine character.

OPTIMA 2009

This elegantly balanced wine has cassis, ripe plum and rich fruitcake flavours on the nose which carries through to the spicy palate. Well integrated tannins result in a soft textured velvety wine with a refined backbone and structure.
