GOSE with a slight tang, our Gose (gose) is a really refreshing crisper. Low IBU, a balanced herbal bouquet, the freshness of lime and salt bring out the best in the beer. It's a perfect accompaniment for the cooler. Take it to the beach or kick back watching the game, you are sure to enjoy this one as much as we do.

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of possible fetal harm. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
