SYRAH
PASO ROBLES

Great wines must start with great grapes. At Opolo Vineyards, our wines are produced with grapes from our own vineyards. We have direct control of the viticultural practices, and as a result, we learn what works best in the vineyard to produce exceptional wines.

This Syrah showcases the potential of Syrah grown in the Paso Robles area. It offers a generous bouquet of fruit, while barrel aging for 20 months in both French and American oak has lent this wine a beautiful lightly toasted component and lush mouth-feel. The color is a rich garnet and the natural acidity is well balanced.
