Cal Blanca

GRAPES 100% Tempranillo
THE WINE 100% Tempranillo from 80- to 100-year-old vines. Aged in French oak for six months followed by three months in 500L liner concrete tanks to provide unadorned character. It delivers a taste of pure, black cherry and minerals. This leads to a structured wine with exceptional richness, outstanding concentration, and a lengthy finish.

LOCATION Zone 2, near the town of Toro at 2,300 ft. elevation.
SOIL chalky limestone providing finesse and elegance.
CLIMATE hot days and cool nights. Average temperatures between May and October at 63° F. The cool night temperatures prolong the ripening cycle, resulting in more balanced wines that are full of color and fruit intensity.

OLE GRID Medium/full bodied, bright fruit, from Zone 2.

IMPORTED BY OLE, NEW ROCHELLE, NY 10801
