*"I have been driving up and down the Alexander Valley since 1990. In so doing I have been privileged to make wine from some of the finest vineyards and "Crazy Creek" in my mind would be in the top 5 sites of the area. This vineyard is amazing, facing east on loam soil makes this cool location very special. Ideal water, low vigor and great exposure leads to one of the most intense and mouth-filling wines you will experience from this great appellation. Try to drink only one glass..... Impossible"*
