Legend has it the first true Absinthe recipe was created by Dr. Pierre Ordinaire in 1792 in rural France. Dr. Ordinaire's Absinthe was so widely accepted, it quickly traveled from rural France to Paris, where this exciting new drink would end up gracing the lips of artists, musicians, writers and poets alike, ultimately becoming the symbol of the free and easy bohemian spirit. Today, **ABSINTHE Ordinaire** recalls one of the most legendary and commercially successful Absinthe recipes during the glittering era of La Belle Époque in Paris. **ABSINTHE Ordinaire** is handcrafted in rural France using only the highest quality artisanal methods and ingredients, including a full measure of Wormwood, also known as Artemisia Absinthium.

ABSINTHE Ordinaire is 129 proof, so please drink with extreme caution.
