DIZZY THREE

AIR-ROASTED ESPRESSO FLAVORED VODKA

Throughout the WWII era, the Douglas DC-3 was a marvel of modern transportation and a symbol of American progress. Nicknamed "Dizzy Three," it transformed world travel and opened trade routes to exotic destinations. In that same adventurous spirit, Dizzy Three Air-Roasted Espresso Flavored Vodka is changing the way vodka should taste – one revolutionary shot at a time.

Dizzy Three starts with the best coffee beans on the planet, gently air roasted to perfection. We then marry our coffee to an equally inspired vodka that is distilled five times and slow filtered ten. The result: a collaboration as rich in taste as it is in Kansas City culture. So lift up the landing gear and enjoy the smooth hints of chocolate, caramel and roasted nuts. Because just like a shining DC-3, this pioneering blend will take you places.
