MELI Riesling 2008

One hundred percent estate-grown grapes were used to make this dry Riesling from our old 60-year old estate vines in San Javier, Chile. The grapes were harvested by hand at the beginning of March, then vinified at cool, controlled temperatures. The wine's delicate, aromatic bouquet expresses the typical characteristics of a quality Riesling. Lively acidity on the palate combined with clean fruit flavors and a distinctive mineral element make this wine an excellent companion to a variety of foods.
